NHL STENDEN Emmen

Captain Hook is searching for the treasure of **Neverland**. He is on his ship, **Jolly Roger**. While he is travelling with his crew, he spots two strangers in front of them. He sends one of his loyal man, **Smee** to bring back you to him.

You wake up in the middle of the water with your partner next to you. Something is coming towards you. It is a vessel with a man who is wearing a red hat on his head. He seems friendly. He says: “*The captain needs to talk to you*” and he saves your life from the mermaids who just wants to enchant you and keep you under the sea until you are not able to breath.

When you are already on board, he says: “*I helped you getting out of the **Black Sea**, so now you are in my debt. Help me solving these tasks and I keep your lives*”. If you decide not to help finding the gold for him, you will meet with his hook which dipped in poison, **Dreamshade**. It is also known as *Somnumbra Atra*. It is a deadly venom that grows up in spring of Neverland and once this toxin gets into your body, your minutes are numbered.

Choose wisely!

You are **the eye of your partner** to solve all the tasks, so you can escape from the ship of Hook and live your life as you did before.

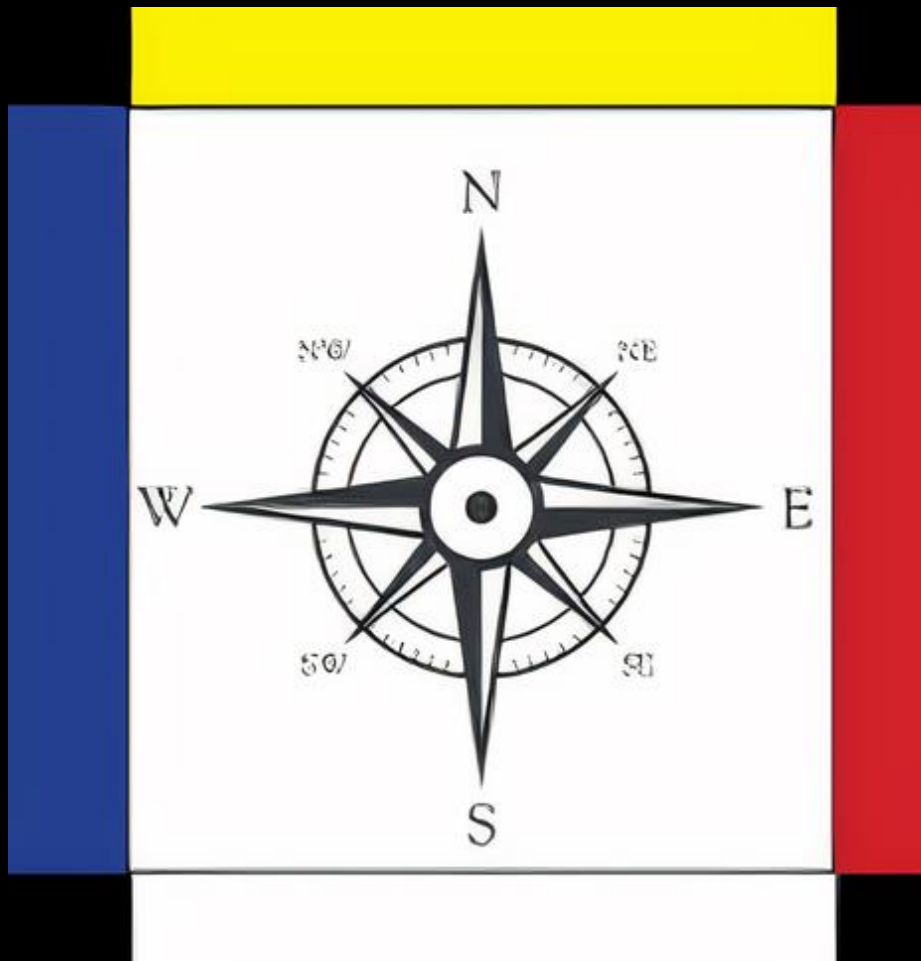

Are you able to succeed? Good luck!

How to play along with your friend

Escape room would not be the same without your friend, below will be the obstacles and hints that will lead you through all the challenges in our escape room, use your imagination and creativity. Our challenges will bring you a glimpse of playing this famous genre anytime and anywhere.

Challenge #1

Firstly, you need to give the directions to your friend which you can find out using this **compass** below and help your partner which direction Jolly Roger should go. Captain Hook keeps his eyes on you, no sudden moves!

Challenge #2

Secondly, Captain Hook does not trust you, so he locks your friend in the cabin. You need to help him get out before something goes wrong. Can you find out with friend what is the **passcode for the lock** before it is too late? Can you prove your trust before the captain of Jolly Roger decides to end your lives?

Challenge #3

Thirdly, you finally reach Neverland and find the treasure, however, **Peter Pan** is waiting for you. He does not give the chest away so easily. He gives your friend **a riddle** and you get this cheat sheet which can help you escaping from the Jolly Roger and give the prize to the pirate. Hook is waiting for the gold, while Pan is smiling. He likes playing games with others. He is nice and friendly until you are playing by the rules.
